We are readers
applying our
Phonics Phases
2-5 in our
individual,
group, guided,
shared and
echo reading.

- money
- division (2,5,10)
- multiplication (2,5,10)

We are Scientists;
We are looking at
animals' needs for
survival and humans.
We will find out
about the basic
needs for survival for
both animals and
humans.

We are explorers; We will begin our geography learning by naming and locating the seven continents and five main oceans. We will then locate the north and south poles and the equator to look at comparisons between the climates.

We are joiners; We will be looking at various artists and then creating our own junk model ships, that will have moving mechanisms.

We are learning all about being healthy;

- How to keep our bodies clean and the importance of this.
- Looking at household items we should avoid to be safe
- How to eat healthily in order to stay fit and well

We are athletes;
We will be
dancers in inside
PE and practising
our ball skills
during outside PE,
particularly
looking at how
exercise affects
our bodies.

We are learning about Christianity; looking at their stories, books and celebrations.

We are editors;
We will be learning how to take photos using iPads, how to organise them and then using computer programmes to edit them.

We are musicians,
using our voices
expressively and
creatively by
singing songs and
speaking chants
and rhymes.

Please read with your child at least **five** times each week.

Practise fluency, using expression and please ask questions about what they have read to develop comprehension skill.

Please remember to name all items of school uniform and that long hair is tied back everyday. Earrings need to be small studs and should be removed or covered for PE sessions. Also, please ensure that your child has a complete named PE kit including tracksuit bottoms.

Please remember to bring in bookbags every day which must include reading book and reading record. **NO** backpacks due to lack of storage space, thank you – a book bag is plenty.

Also don't forget to send in a filled, named water bottle daily for your child. Thank you.
