VICTOR SEYMOUR HAVE A BRAND NEW LIBRARY!

We are so excited to announce the opening of our new library. We have been extremely lucky to have had the chance to renovate our library. We have over 1,000 new books, comfy seating, reading nooks and more for the children to enjoy.

The children will be able to borrow a book from our library from January 2026.

You will receive a login for our new library system 'Libresoft' at the beginning of Spring 1, which will give you access to view all the books VSI has to offer and it will show you which book your child has borrowed. You will receive more information regarding the process in the new year. We hope your child enjoys using the library in school and also enjoys sharing their books at home with family.

Thanks to all the team who helped to bring our new library to life!
