Welcome to Victor Seymour Infants' School

Forever Learning: Limitless potential for every child

Welcome to Victor Seymour Infants' School! We are delighted to welcome you into our school and look forward to working alongside you and your families. We are a three-form entry Infants School located in the heart of historic Carshalton. This welcome booklet is an introduction to all the useful information you may need during your time as part of the Victor Seymour family. This information may change over time but we will always inform you via the My Child At School (MCAS) app and on the school website: <https://www.victorseymourinfants.org.uk/>

Our school has a vibrant, nurturing, and aspirational environment, where pupils blossom and benefit from expert teaching, high expectations, and a strong sense of community. Our Ofsted inspection in March 2025 highlighted our commitment to excellence in all areas. We value every child, empowering them to have the highest aspirations for their future, striving to reach their full potential through the provision of a creative and innovative curriculum that challenges and engages all learners. Our pupils behaviour is exemplary and our behaviour curriculum outlines expectations for Wonderful Walking, Lovely Lining up and STAR sitting. We support our pupils in becoming confident and respectful individuals both in and out of the learning environment.

We ensure that we are ambitious for all pupils and work tirelessly to ensure that our curriculum is well-sequenced and engaging, enabling children to make excellent progress across all subjects. Our pupils are well prepared for the next stage of their education, with the majority of our pupils transitioning to Year 3 in Harris Junior Academy in Carshalton (HJAC). Click here for more information about [HJAC](#).

We are committed to working together with you to ensure that your child has a happy, successful and fun experience during their time at school. We know that children learn best when carers and staff work together to encourage and support their learning. We have an open-door policy so please come and chat anytime! We very much look forward to meeting you and getting to know you and your child.

Safeguarding

As a parent, it is natural to have concerns about the safety and well-being of your child when they attend school. To ensure the safeguarding of your child, Victor Seymour Infants' School has put several measures in place to provide a safe and secure environment. These measures include having robust recruitment and vetting processes for staff, maintaining accurate records of children's attendance and absences, providing regular training for staff on safeguarding issues, and having clear policies and procedures in place for reporting and responding to concerns.

Additionally, Victor Seymour Infants' promotes positive relationships with parents and carers, keeping them informed about their child's progress and any concerns that may arise. By working together with parents, Victor Seymour provides a safe and nurturing environment for children to learn and thrive.

What is safeguarding?

Protection: Keeping children safe from abuse, harm, neglect, and exploitation.

Prevention: Spotting risks early and taking action to stop harm before it happens.

Well-being: Creating safe environments where children can grow up happy, healthy, and supported.

Values and Ethos

Introducing Our School Heroes

At Victor Seymour Infants' School we believe that everyone is Forever Learning. We believe that every child has limitless potential and all children should feel happy, nurtured, safe and free to explore the world around them.

Our Victor Seymour School Heroes help support our pupils to grow into polite, kind and respectful citizens. Our aim is to ensure that children are happy and safe whilst also developing children's individuality.

<i>Sensible Squirrel</i> promotes responsibility	<i>Tough Tortoise</i> promotes resilience	<i>Wise Owl</i> promotes good learning behaviours	<i>Team Ant</i> promotes respect
---	--	---	---

Every week children from each class are nominated for a School Hero Award when they have demonstrated the learning and behaviour qualities of our Heroes. Our School Heroes are celebrated every week in our Friday Assembly. At the end of the half term we celebrate those pupils who have demonstrated all the Heroes behaviour consistently; these pupils are Our School Champions.

Nursery

- ★ **Silver class** is 30 hours

For 30 hour children, the timings are 9:30 am until 3:30pm, with an optional early start of 8:30 am, at a cost of £7 per morning.

- ★ **Gold class** is 15 hours

For 15 hour children timings are 8:30 am - 11:30 am for morning sessions
We also offer a lunch club between 11:30 am- 12:30 pm for £7 per day.

Water, Milk and Fruit

We believe it is important that children have free access to water (no squash or juice please) which is readily available in the classrooms. Children should bring their own water bottle which can be refilled during the day.

We provide a piece of fruit each day for the children through the government scheme. This helps the children to stop feeling hungry throughout the morning.

Children are provided with milk until they reach the age of five. Every child over the age of 5 is entitled to milk and this is ordered and paid through www.coolmilk.com.

Lunchtimes

Your child may have a school lunch or bring a packed lunch to school. If they bring a packed lunch it should be clearly labelled with their name. Packed lunches should consist of healthy food with **no nuts, no fizzy drinks, no chocolate or sweets**. The children eat their meals in the main school hall and are looked after by Midday Supervisors.

If your child has a school dinner these are all cooked on site and offer a variety of hot meals that cater for all dietary requirements. Along with the main option, there are also jacket potatoes with a choice of fillings and fresh salad selection. The 2-week menu changes each term and can be found on the school's website or you can request a hard copy from the school office.

Frequently asked questions

What happens if my child is unwell at school?

Children who become unwell during the school day are looked after by the first aider and if necessary, parents or carers will be contacted and asked to collect their child from school. It is very important that we have a contact telephone number where we can contact you during the school day. Please do not bring your child to school if they are feeling unwell.

Absence and Illness

Regular attendance is very important for your child. Please try to avoid casual absences. We expect your child to attend school everyday unless there is a valid reason for absence such as sickness or medical treatment. If your child is going to be absent from school please contact the school either through a phone call or the attendance email at attendance@vsi.school. Regular attendance is essential in order to acquire and develop the many skills which will increase independence and confidence and ensure that your child leaves our Infants school fully prepared for their next step.

Emergency Contact numbers

We need to have up-to-date addresses and phone numbers of all the children at Victor Seymour. If any personal details change please let us know immediately, as we should always be able to contact you if an emergency occurs.

What should I do if my child is unable to attend school?

Government regulations require parents or carers to explain every absence from school. If your child is absent or late, please telephone or email the school office to inform us about the reason for absence. Medical appointments should be made out of school hours where possible. If you wish to take your child out of school in term time, you will need to request a leave of absence in writing to the Headteacher. Holidays are not authorised during term time.

Are toys allowed at school?

Children are not allowed to bring toys to school.

Communication - how else do we communicate with you?

School Reports	An annual report is given at the end of the school year. If you have any issues you wish to discuss after receiving your child's report, you can make an appointment to see the class teacher.
Facebook and Instagram	We post information and reminders for school events regularly on Facebook and Instagram. Facebook  Instagram 
Email	We use MCAS as the main way of communicating with parents and carers. Please make sure that we always have your up to date email address. Please let the School Office know if your email address has changed. MCAS will automatically email the first emergency contact of a child. If you require both parents or carers to receive emails, please let the School Office know.
Telephone	Please make sure that we have your current telephone numbers (mobile, home and work where relevant). We also ask for at least two emergency contacts for your child, preferably more if possible.
