

Victor Seymour Infants' School

Newsletter 2: 18/9/26

Dear Parents, carers and pupils,

Every year we celebrate the Harvest Festival by singing a fabulous song and playing some stunning percussion. We also celebrate by organising a collection for the Sutton Foodbank who serves many many families in our community.

We would love to invite you all to bring in any of the following items on Friday 25th September. Your child can carry their donations into class in the morning and bring them to the hall for our assembly.

Well done to our superstar pupils who have been awarded a Headteachers' Award this week:

Sadie, Thomas, Indie, Kristen, Lilo and Sienna.

Personal Achievements

Kailan for his Martial Arts achievements.

Sean for being the best Kung Fu teacher!

Neo for climbing 311 steps to the top of Monument.

Thank you everyone for your wonderful kindness and support you show towards myself and my team.

Have a wonderful, safe, happy and fun weekend!
Samantha Morrissy

We are thrilled to announce that our school has officially achieved the

Healthy Schools Bronze Award!

This award recognizes our ongoing commitment to supporting the health, wellbeing, and safety of our entire school community. Over the past year, we have introduced new wellbeing initiatives, encouraged active travel opportunities through balance bike club, explored different packed lunch options and continued to promote healthy lifestyle choices across all year groups.

Thank you to our pupils, staff, and families for supporting these activities—achieving this milestone would not have been possible without your involvement.

We look forward to building on this success as we begin our journey toward the Silver Award!

Reception

What a wonderful start to the academic year!

We are so proud of how brilliantly our new Reception children have settled into school life. They have adapted to their new routines with such enthusiasm, big smiles, and growing confidence each day.

A huge thank you to all our parents and carers for your support with this transition. Your encouragement at drop-off has made a massive difference—it has been fantastic to see the children proudly walking into the classroom on their own, carrying their own book bags and water bottles.

Developing this independence from day one sets a wonderful foundation for their learning journey, and we truly appreciate your partnership in making this happen!

Year 2: Lime class

What a shock Y2 has had this week... a gorilla was seen parading through their classroom leaving a trail of intriguing clues in his wake! Here is Lime class investigating the scene of the crime...

Y2 discovered that this particular gorilla likes biscuits AND bananas... you heard it here first!

We're Recruiting!

At Victor Seymour Infants' School, we are seeking a committed SEND One to One Support to join our team and play a key role in ensuring the smooth and efficient running of the school.

This is a rewarding opportunity to contribute to the daily life of the school, providing essential support that enables pupils, staff and the wider school community to thrive.

Your work will have a meaningful impact on creating a positive and successful learning environment.
